MARFOGLIA

ARTOPEX

"Marfoglia Construction respected all the projected deadlines, budgets and constraints towards the success of our project and often with very short delays. We were completely satisfied with their timely interventions, their coordination of all purchases and the work done by Marfoglia and their subcontractors. Members of our staff as well as the architects greatly appreciated and benefited from the professionalism of the employees of Marfoglia Construction."
- Daniel Pelletier, President Artopex
