Schedule: 9 months (2004)

MARFOGLIA

Highly innovative and unexpected combinations of wood, metal, glass, acrylic panels, luminous ceilings, mother of pearl, seashells, are used in the restaurant, lobby, bars and foyers. This project tested Marfoglia's limits of turning the designer's vision into reality.

Location: 901 Victoria Square, Montreal **Client:** Group CDP **Architect:** lemay **Designer:** Miguel Cancio Martins (Paris)
